

Inspiring the next-generation leaders

• COURAGE • COMPASSION

• EQUALITY • INTEGRITY

**PAUL GEORGE
GLOBAL SCHOOL**

About the School

Paul George Global School has been established under the patronage of St. George's Education Society, in the fond memory of Shri. Paul M. George, former Executive Director of The Muthoot Group and son of Shri. M. G. George Muthoot (Group Chairman, The Muthoot Group of Companies). The school is affiliated with CBSE and intends to set a new benchmark in the Indian education sector by imparting quality education through its unique approach and advanced learning styles.

Located in the heart of South Delhi at Alaknanda, the school is designed as a perfect blend of technical and architectural transcendence. It is also tastefully furnished with all the latest facilities and is student-friendly.

Every child is unique and is born to excel in different walks of life.

Education should be the window for children to manifest their unique skills. This is what we offer at Paul George Global School – the prestigious new education initiative by The Muthoot Group. As the name indicates, the school is global in all aspects and believes in bringing out and nurturing the innate talents of children through innovative teaching methodologies that could simultaneously enhance their curricular and extra-curricular skills and abilities.

Most essentially, the school focuses on instilling in its students the four character values of Courage, Compassion, Equality and Integrity as uniquely possessed by Shri. Paul M. George. The school believes that nurturing these values in its students will enable them to become culturally inclined and socially responsible citizens.

**PAUL GEORGE
GLOBAL SCHOOL**

Late Shri. Paul M. George - the inspiration behind PGGS

A bright and talented young student who rose to become a brilliant and dynamic professional, Paul was a responsible son to his parents, an affectionate and caring brother to his siblings and family and an extremely kind-hearted and humble human being ever ready to reach out to help and lend support to anyone near or far from him.

Paul M. George was an Executive Director at The Muthoot Group. He was an ordinary human being blessed with extraordinary values. The four values that PGGS epitomises - Courage, Compassion, Equality and Integrity were an integral part of his personality.

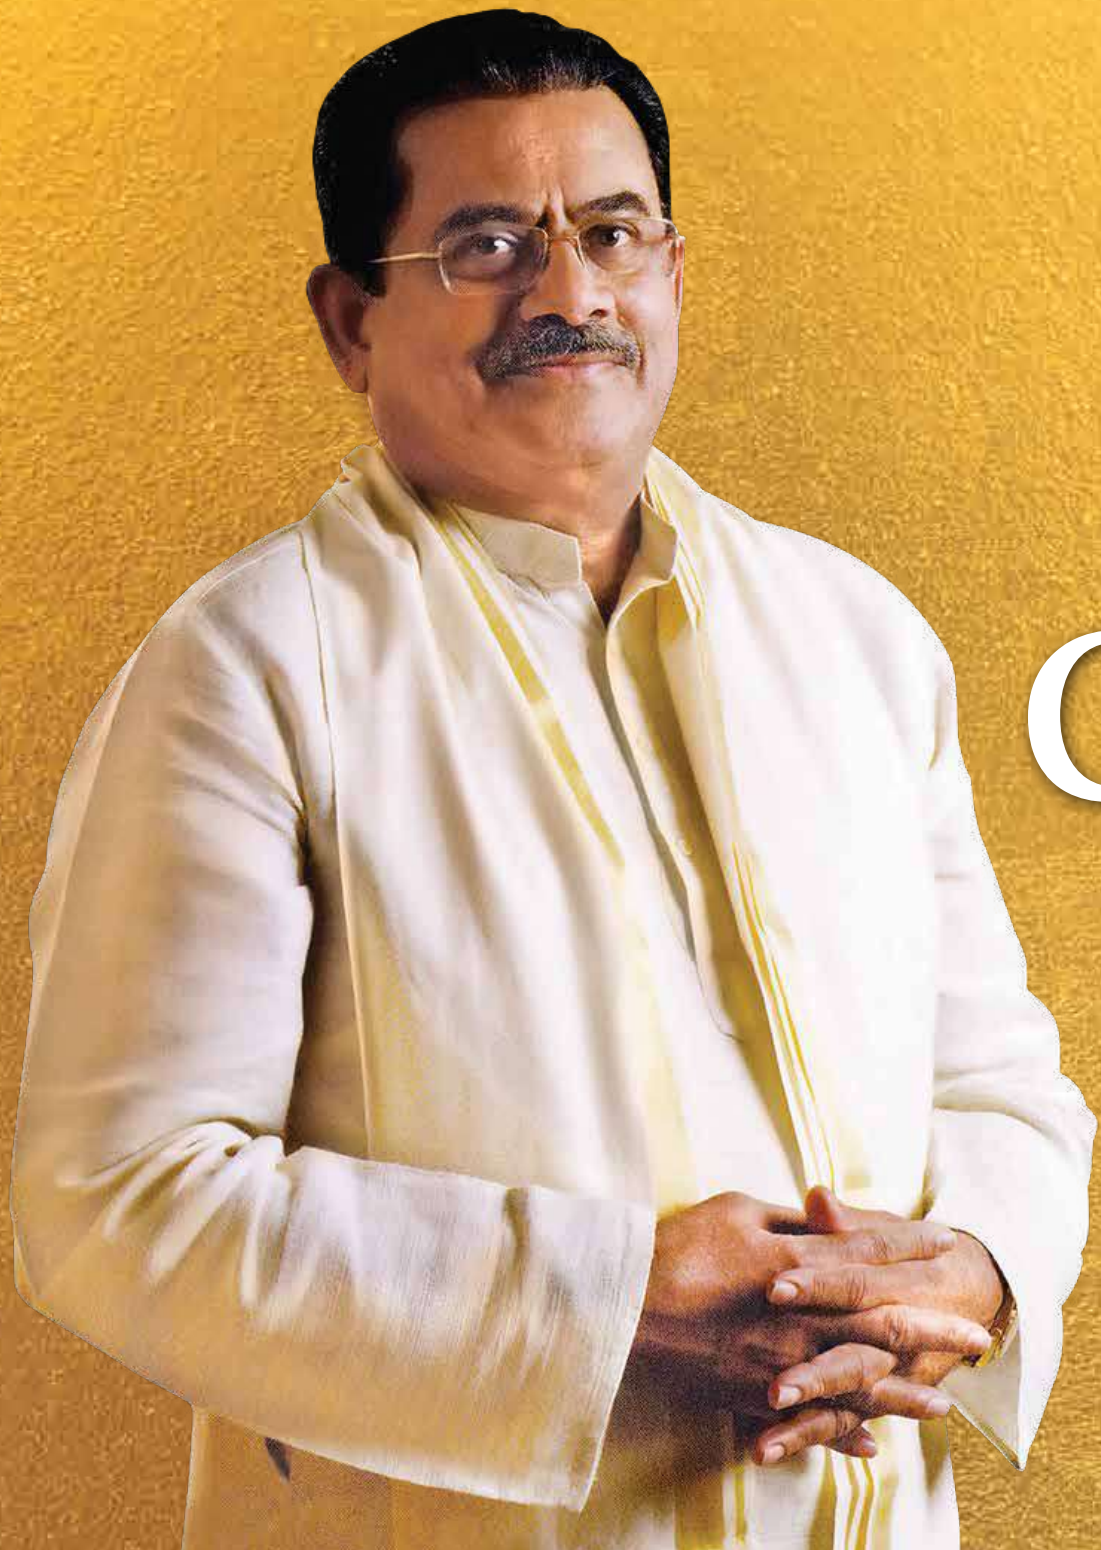

It is in this context that the Management of Paul George Global School

aspires to inculcate these four values of Paul M. George in every student who walks through the gates of PGGS.

Further, students in this millennium live in a fast-paced, technology-driven and constantly changing environment. Paul George Global School, the new co-educational institution from The Muthoot Group, has been designed to keep the needs of the 21st century learner in mind.

The school adopts cutting-edge technology to help students undertake research and application of the curriculum. The school concerns itself with the development of capabilities amongst the students, that are needed for problem-solving, rational decision-making, communicating and for success in the workplace.

“MAN WITH A
GOLDEN
HEART”

Late Shri. M. G. George Muthoot

Group Chairman, The Muthoot Group of Companies

Shri. M. G. George Muthoot was a visionary entrepreneur, an innovative strategist and an ardent philanthropist. He was an inspiring role model and business leader of our country.

A graduate in Mechanical Engineering and an alumnus of reputed universities including Harvard and Wharton, he was conferred with the 'Emerging Business Leader of the Year' award. He was the National Executive Committee Member of FICCI, Chairman of FICCI (Kerala State Council) and Lay Trustee of the Malankara Orthodox Syrian Church.

His unwavering focus on 7 fundamental principles of ethics, values, reliability, dependability, trustworthiness, integrity and goodwill have contributed in great measure to the growth of The Muthoot Group. He believed in the socio-cultural hierarchy of respect and importance in life, i.e., in **mata, pita, guru, daivayam**, in that order.

He was a man who believed that education is the path for our country to rise to take its rightful place in the world order. It was this vision, which brought Paul George Global School into existence. He dedicated the school to the memory of his son, Shri. Paul M. George.

Shri. M. G. George Muthoot always believed that children are a bundle of potentialities and that adults and other stakeholders must play an important role in developing their future. To keep up with the rapidly changing world, the values we instill in our children are the fundamentals that guide or motivate our attitudes or actions.

The world may have changed, its people, situations, expectations and interpretation may change; but values don't. These persist as an enduring framework for conduct.

From the Director's desk

Dr. Sara George Muthoot

Director, St. George's Education Society

I'm of the firm belief that a child's mind is like a fertile soil where the seeds of curiosity can be sown to generate ideas of value. We at PGGS strive to instill the power of imagination to help the children dream big and realise them!

Our faith in our valued faculty to impart quality education is incomparable. The joy of learning is enhanced when the image of a teacher is that of a friend and facilitator.

Indeed, learning to face and overcome challenges opens the road to success. We believe that education for knowledge is something gained out of the academic journey and self-experienced learning.

Integrating the real with the acquired offers a holistic development of a child.

This unending voyage of gaining wisdom is flagged off at PGGS and we strongly believe that it acquires the momentum to weather all challenges and reach the shores of success.

The realisation of the students to give their best takes them to the summit of triumph. This will certainly help them to become a positive chip of the society.

The efforts are ours and the blessings and goodwill are added by nature!

From the Chairman's desk

Shri. George Muthoot George

Chairman, St. George's Education Society

Education is a fundamental asset that triggers young minds to explore infinite possibilities in the world of excellence. It is the primary factor that helps an individual fight all challenges. The behavioural responses of individuals reflect the overall growth and development of the society.

At Paul George Global School, our intent is to promote a progressive society by imparting education that becomes the first step towards empowering students to make this world a better place. Our efforts are to changes an individual's perspective and enable them contribute productively.

The School has been designed keeping the future in mind. With an unparalleled infrastructure and a great all-round learning environment, the students find the school to truly close to their heart. The School focuses on essential life-skills, along with the subjects of literacy, numeracy and sciences. With a belief in offering the best pedagogical practices followed around the world the School helps build strong foundations for future leaders.

From the Vice Chairman's desk

Shri. Alexander George Muthoot

Vice Chairman, St. George's Education Society

At PGGS, we believe that the art of acquiring knowledge is one significant way to enter the sea of enlightenment. Not only do we expect our children to grow academically but more importantly, we also work towards making them truly responsible global citizens.

The power of ethical personality is the goal of parents and educators alike. Instilling this power in our children will only kindle the spark of curiosity and light the pathways of their knowledge with confidence and conviction.

Respect and Regard irrespective of differences whether social or economic, should be ingrained into our children's belief systems. Winners are but those who leave a trail in the society and our endeavour would be that every Paul Georgean does so!

Today's day and age is thronged with opportunities shadowed by challenges. The determination to strive, the dream to win and the quality to balance are the tools we offer to our children, who we envision as the cement and bricks to build our nation.

I am confident that our efforts in instilling these values amongst our children along with inculcating the four core values of our School's philosophy i.e. Courage, Compassion, Equality and Integrity, will go a long way in shaping their character and career in a big way.

I always feel utmost pride and satisfaction to see the ever flourishing brightness and confidence in our students.

We wish to see the ethos of our school reflected in the society!

Board of Governors

George M George, is the 4th generation in a long line of entrepreneurs at The Muthoot Group, a multifaceted conglomerate having interests in diversified fields such as Financial Services, Healthcare, Hospitality, Agriculture, Housing and Education to name a few.

First among his two Degrees' is the Bachelor's in Hospitality Management, from the prestigious Welcomgroup Graduate School of Hotel Administration in Manipal, and the second a Master's from the prestigious Essec-Cornell University in Paris, France. Besides, he garnered valuable experience with top International Hospitality Organisations.

During his present stint at The Muthoot Group he worked tirelessly on various new products and services, primarily in the Hospitality and Media divisions of the company, by instilling new brands based upon his passion for sustainability. He was instrumental in launching Chennai's first English radio station (Chennai Live 104.8 FM) and India's first Talk Radio format in 2007.

He was also instrumental in launching local brands like Travel Jango and Via Kerala amongst others, in areas as diverse as online travel and handcrafted products that support local entrepreneurs.

A passionate speaker at various platforms - student forums, business startups and family owned enterprises. He is actively engaged presently in building a new brand of Hospitality which would have global interests. He is also the recipient of the Distinguished Alumni award from Manipal University (2015) and the ITC Chairman's award for his contribution to the field of hospitality.

Shri. George Muthoot George
Chairman, St. George's Education Society

A doctorate in Philosophy, Dr. Sara George Muthoot has been the Director of St. George's School, New Delhi since 1982. A great academician, she has been instrumental in taking St. George's School to the pinnacle of excellence, holistically.

Dr. Sara George Muthoot's mission to educate and empower each child as her own is legendary. Her integrated approach to learning and dynamic persona have helped to attain successful student outcomes through the years. Today, St. George's School has close to 3,000 students and 130 teaching staff.

She is an active social worker and has been relentlessly working for the upliftment of women and underprivileged children. She has been conferred with Global Human Rights Protection Award by the Indian Institute of Human Rights, TKK Nambiar Memorial Award for Life Time Achievement, Best Principal Trophy by Science Olympiad Foundation and Special Appreciation Award by NASA - Kennedy Space Centre.

Dr. Sara George Muthoot
Director, St. George's Education Society

A Gold Medalist from the University of Kerala and among the top ranked Chartered Accountants (FCA), Shri. George Alexander Muthoot is the Managing Director of The Muthoot Group and the recipient of Dhanam Magazine 'Businessman of the Year' Award, 2012.

Shri. Kayyalathu Thomas Chacko served for over 33 years in executive, secretarial and policy-making assignments. During his career as an IAS officer, he also served the Government of Madhya Pradesh for nearly 20 years. He was presented with the Lifetime Achievement Award by the Hon'ble President of India in December 2008.

Shri. K. T. Chacko
Retd. IAS, Government of India

An IPS Officer of impeccable credentials, Shri. V. V. Chaudhary is reputed for encouraging innovation and managing change in organisations known for rigidness and bureaucracy.

He is widely credited with launching community outreach programmes to involve public in maintaining law and order. He also pioneered the Neighbourhood Watch System in 1986 in India. This became highly successful, reducing communal riots and ordinary crime, and has become a regular practice in various districts today.

Shri. V. V. Chaudhary
Retd. IPS, Additional Commissioner of Police (Security), Delhi Police

Vision

To nurture young minds, to focus on their holistic development and to develop their moral, ethical, human and spiritual values so that each child may develop Character and Confidence with a deep-rooted passion in pursuit of excellence.

Mission

Paul George Global School (PGGS) seeks to create a challenging yet conducive learning environment that inspires excellence and encourages high performance through the engagement of varied instructions that allow for individual differences and learning styles.

At PGGS, we promote a safe, caring and supportive environment where every person can learn from and respect one another. We have also employed innovative techniques to enhance life-long learning through technology, multiple intelligence, varied instructional strategies and interdisciplinary connections.

We promote Sportsmanship and School Spirit, and we share our diverse cultural backgrounds to nurture growth and responsibility while at the same time celebrating our diversity within a positive school atmosphere.

Philosophy

‘Unchanging Values...
in Changing Times’

Our Core Values

COURAGE

To face the toughest challenges in life

COMPASSION

For all fellow human beings

EQUALITY

By treating everyone with equal love and respect

INTEGRITY

Towards one's belief system and to what is right

Our Logo

At Paul George Global School, we believe that the art of acquiring knowledge is the one way to enter the sea of enlightenment. Hence, our logo is an amalgamation of the traditional values of the Indian system and the modern ideas of facilitating passion through perseverance. The Lotus is associated with Goddess Saraswati - the Goddess of Knowledge, Wisdom, Learning Arts, Performing Arts, Music, and Speech. It signifies supreme knowledge. A beautiful blossomed Lotus flower also stands for purity and energy.

Red is the colour of fire. It represents energy and it is the colour of COURAGE

Yellow represents Compassion. It is the colour of sunshine. Sun is the eternal symbol of compassion to one and all

Green is the colour of mother nature that symbolises Equality

Blue stands for Integrity which tops all character values existent in the world

The graphics of the book below the lotus flower represents knowledge and wisdom that the school imparts to its students.

CEO's Profile

Shri Jaya Prakash

CEO

St. George's Education Society

Mr. Jaya Prakash, is an accomplished educator, highly motivated, intuitive and result-focused professional, having worked as Principal, CEO & Director of CBSE K-12 Schools & Group of Schools for more than 3 decades. He is a Gold Medallist in M.A., in English Literature, B. Ed., ISO 9001:2000 Lead Auditor from Bureau Veritas Quality International, France. She played a pivotal role in her student bagging EKLAVYA Award in Horse Riding. Her students won awards in Classical Dance at many National level competitions. One of her teachers set a world record in Kathak. She is a Master Trainer empanelled with the CBSE as well.

She is very knowledgeable, yet a down-to-earth person. She has proven herself remarkably well in leadership roles. A matured and experienced educationist with active social responsibilities and a zeal to create a better future generation and children with social consciousness and moral values, she is an effective communicator with excellent relationship management skills and strong problem-solving abilities.

Awards & Recognition for the School

Student Achievements 2021-22

SCIENCE OLYMPIAD

- The students of Paul George Global School stood meritorious in the International English Olympiad 2020 - 21 organised by the Olympiad Foundation

ABACUS CHAMPIONSHIP

- One of our students received Gold (Rank - 1) in the National level Abacus Championship

SPORTS

- One of our students bagged 1st and 2nd Positions in the team championship tournament organised by Matrix Chess Academy; he also won the Online Delhi State Under 18, under 16 and Online National under 14, under 12, under 10 Chess Championships; and was adjudged 1st in JDCA Online Chess Tournament for Under 9; and secured the 24th Position in Asian Youth Tournament
- One of our students of Grade IV has won silver medal in International Poomsae Championship organised by Online World Taekwondo Association and a silver in International Speed Kicking Championship organised by Online World Taekwondo Association
- One of our students bagged the 1st Position in National Chess Tournament from across India, Saudi Arabia, UAE and Muscat with 100% win rate with a tie break score of 37.5

TOYCATHON 2021

- Competing against 1567 participants nationally, PGGS students won the Toycathon 2021, a skill based competition organised by Directorate of Education, under the Prime Minister's Aatmanirbhar Bharat Programme

Eco-Friendly Infrastructure

The School is facilitated with a world-class infrastructure and Wi-fi enabled campus that is inspiring, eco-friendly and gives students, including the differently-abled an ideal environment for holistic learning. The academic block comprises 56 classrooms and totally barrier-free, fully air-conditioned building located around a quadrangle.

The school has decidedly adopted a green approach and has used all possible environment-friendly design techniques. The outer school walls are constructed with energy-efficient and environment-friendly Air Aerated Concrete Blocks (AAC).

In addition, the school is equipped with Radiant Cooling, also known as Thermally Activated Building Systems (TABS), to have eco-friendly, efficient and effective utilisation of energy. A Rainwater Harvesting System for active rainwater harvesting and a Sewage Treatment Plant (STP) reduce water usage by recycling the treated water for flushing and horticulture. All these eco-friendly specialities are instituted with the sole intention of developing an environmentally sustainable edifice.

The school will be 100% solar powered in the near future.

CENTRAL GREEN PLAY AREA

World-class Sports Facilities

Sports form an integral part of a child's all-round development.

At PGGS, we integrate sports with the academic curriculum to enable students to grow into well-groomed individuals who strive for excellence in every sphere.

- Automatic temperature-controlled, shaded, all-weather swimming pool
- 8-lane, 100-metre synthetic running track
- Roof-top Wimbledon-style tennis court and Skating rink
- Auditorium has a multi-purpose facility of indoor table tennis, basketball and badminton courts, with a provision for automated retractable seating and a stage to host cultural programmes, major events, morning assemblies and in-house workshops
- Grand amphitheatre overlooking the central green playground with mini-hockey and football play areas with child-friendly green turf procured from New Zealand

AUTOMATIC TEMPERATURE-CONTROLLED, SHADED, ALL-WEATHER SWIMMING POOL

8-LANE, 100 METRE SYNTHETIC RUNNING TRACK

MULTI-PURPOSE AUDITORIUM WITH RETRACTABLE SEATS

ROOF-TOP 'WIMBLEDON' STYLE TENNIS COURT

Global Reach - Transforming Learning

OUR COLLABORATION WITH UN AND UNICEF

UNICEF is the world's leading advocate for children. They operate in 190 countries to save children's lives, defend their rights and help them fulfil their potential. UNICEF is empowered by the United Nations to take collective action for a better world. Our teachers benefit with resources from the World's Largest Lesson, which is how UNICEF introduces the Sustainable Development Goals in schools through lesson plans, videos and creative content.

We work with UNICEF to introduce your child to some of the planet's most pressing issues and inspire them to think about how to change the world for the better.

GLOBAL CAMPUS – EXCHANGE PROGRAMS

Our Global Campus platform brings together young people from different countries and cultures and encourages them to collaborate, create and learn. We also engage our children in various Student and Teacher Exchange programs enabling them to widen their horizons of learning through collaboration.

Early Years (Pre-Primary Wing)

Pre-school Education is the first step in the education ladder of a child. Our teaching practices, purposefully designed learning environments, and enriched activities enable our teachers to ensure that pre-schoolers have a joyful, appropriate and meaningful learning experience that leads to success in their journey.

We consider parents as an essential support system in the journey of their child. For this reason, we keep them informed about every activity and development occurring in the school through regular interactions. Paul George Global School believes that parents are the key determiners of their child's progress.

Value-based Learning (Primary Wing)

A detailed curriculum framework, encompassing academic and co-curricular activities is in place. Performance rubrics are maintained over the years to monitor the child's aptitude, and constantly fine-tune

learning plans created specifically for the child. Learning at PGGS is divided into three sections - inquiry based learning, project based learning and collaborative learning.

Shaping Personality (Secondary/Sr. Secondary)

Design with the end goal in mind - Creating happy children as they learn. Blend of Knowledge & Skill:

LEARNER FOR LIFE

- Personal, Social and Emotional development
- Physical development
- Creative development
- Language, Communication and Literary development
- Knowledge and understanding of the world

OUR METHODOLOGY

As recommended by CBSE, we follow an integrated approach, forming connections across all disciplines of learning such as:

- English and Hindi languages
- Sanskrit and French as third languages
- Mathematics
- Social Sciences
- Sciences
- Information & Communication Technology

SKILLS FOR THE 21ST CENTURY LEARNER

- Creativity
- Collaboration
- Critical Thinking
- Communication

OUR APPROACH

- Constructive approach
- Experiential learning
- Project-based learning
- Inquiry-based learning

THE CO-SCHOLASTIC CURRICULUM

- All-round development of students (art, music, dance, theatre, sports, special assemblies, celebration of festivals)
- A holistic approach to education (Extra Mile, Heritage Walks, Educational Trips, Buddy Interactions)
- Integrated development stressing physical, mental, moral and social aspects (Edu-sports, Passion time)
- Community outreach
- Audio-visual and Technology usage

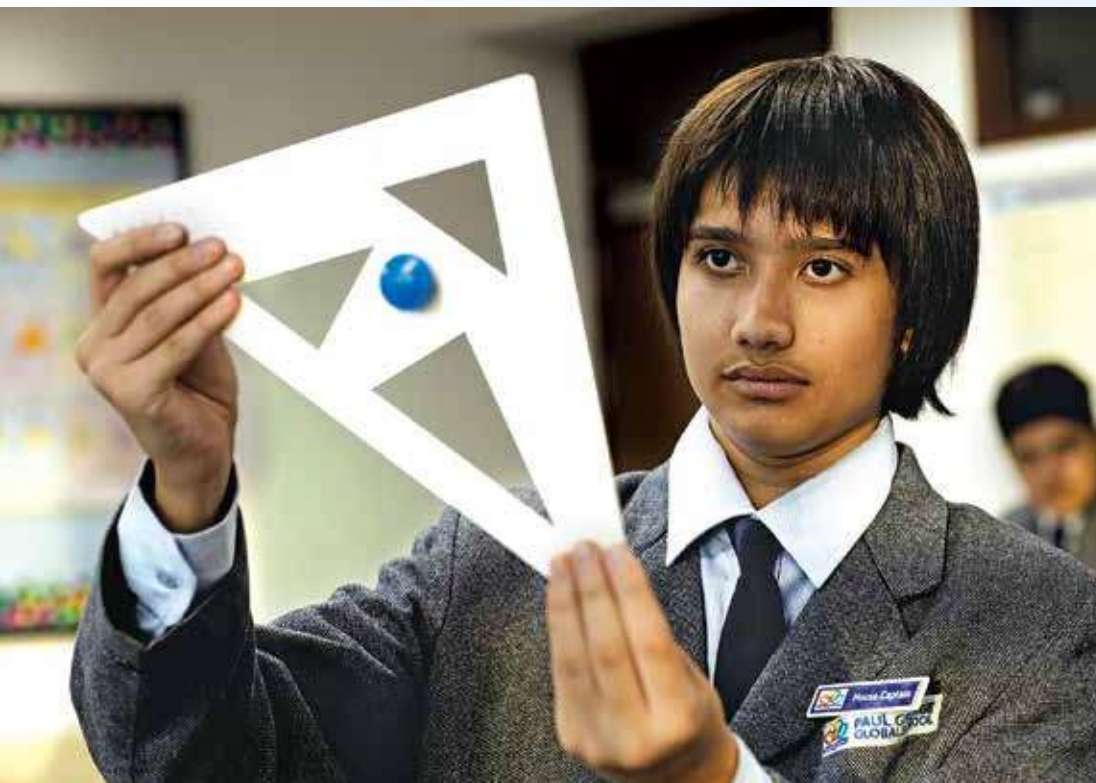

Career Counselling and Building Careers

Paul Georgeans are given expert career counselling sessions so that they are able to make the right choices after exploring a wide range of opportunities.

This enables Paul George Global School graduates to continue their

education at top colleges and universities around the world. Our rigorous curricula and focus on the real-world learning makes us one of the best global schools in Delhi and will help your child to stand out during college admissions.

Inclusive Education

Paul George Global School believes that all children have immense potential, and it blooms when nurtured lovingly through parent-school collaboration. We have special classes and streams for children with special needs. Parents and students receive guidance in all the spheres, including academics, sports and career development based on customised individual planning of students with different needs. A Special Educator guides parents on developments and roadblocks, and students get adequate support in their pursuits for overall personality development.

Teaching Faculty

Our teachers love children and are passionate about making their future bright through education. They also play the vital role of facilitators in the class who help children think logically and reasonably, encourage them to ask questions and help them to develop problem-solving skills.

Good teachers begin to engineer learning experiences that manoeuvre the students into the driver's seat and then gradually step out of the way. We at PGGGS believe in forming such a formidable team of great teachers who prove to be an asset to our institution.

Beyond Academics

Tech-enabled Safe and Secure Campus

Effective surveillance and security systems result in better group control and higher quality learning environment. High boundary walls, a fire-fighting system and other safety and security measures make the campus safe and secure.

100% CCTV ENABLED CAMPUS

Each and every corner of the school is monitored with well-equipped CCTV cameras to ensure the safety, security and well-being of the children. We have procedures and standards in place to cover pick-up and drop-off, visitors, equipment and furniture safety, and more. These procedures are periodically reviewed and updated to make certain they reflect the most current safety and security technology and practices.

24x7 SECURITY GUARDS

Security is our prime concern. We have well-trained male and female security guards patrolling the school premises to ensure that the campus is safe and secure.

IN-HOUSE MEDICAL CARE UNIT

We have Nurse and Doctor on Call. We maintain a complete medical record of immunisation and physical examination of each child in our care. Pertinent health histories (such as allergies, chronic conditions or susceptibilities) are also required.

Children go back home if they are unwell. An in-house infirmary takes care of injuries.

GPS-ENABLED TRANSPORTATION

We operate with a fleet of air-conditioned buses with all safety norms such as CCTV cameras, GPS, Fire Extinguishers, Emergency Exit and experienced staff.

The Muthoot Group Educational Institutions

ST. GEORGE'S SCHOOL, ALAKNANDA, NEW DELHI

As a leading school of South Delhi, its foundation stone was laid in the year 1982 by H.E. the Vice-President of India and the building was inaugurated by H.E. the Hon'ble President of India, Dr. Shankar Dayal Sharma. The covered area exceeds 1,00,000 square feet and the infrastructure plays a pivotal role in the all round development of students.

The Awards and Accolades include **ranking among 'Top 10 Schools' of South Delhi**, **'School Excellence' Award - 2017** and recognition for **Eco-Club Activities** by the **Directorate of Education**.

SANSKARA SCHOOL, KOCHI, KERALA

Sanskara is a premier K-12 school that aims to bring world-class education to the city of Kochi. The school has a sprawling campus in **5.25 acres** of which **2.4 lakh sq.ft.** of built-up area is dedicated to world-class infrastructure including a massive outdoor sports arena and another facility for indoor sports.

MUTHOOT INSTITUTE OF TECHNOLOGY AND SCIENCE (MITS), VARIKOLI, KERALA

MITS is a sought-after engineering college located at Kochi, Kerala. It was established in 2013 and is affiliated to APJ Abdul Kalam Technological University (APJAKTU), Kerala. It has been consistently placed in the **Top 5** among 140 engineering colleges in the state in academics and has an excellent placement record. With a strong focus in research and overall development of the students, MITS appeared in the list of Top engineering institutions in the National Institutional Ranking Framework (NIRF) in 2021. The College is also NBA accredited.

MUTHOOT COLLEGE OF NURSING, KOZHENCHERRY, KERALA

The college offers a range of full-time courses comprising B.Sc. Nursing, General Nursing, M.Sc. Nursing, Post Basic, Medical Laboratory Technician, Medical Imaging Technology, MBA and Hospital Information Administration.

MUTHOOT COLLEGE OF NURSING, PATHANAMTHITTA, KERALA

The MGM College offers the finest facilities for the academic and personal growth of students maintaining high academic standards and coaching by well-qualified, experienced and dedicated faculty. Doctors from various disciplines with excellent academic backgrounds strengthen the basic learning systems of the students.

MUTHOOT COLLEGE OF ALLIED HEALTH SCIENCES & MANAGEMENT STUDIES, KOZHENCHERRY, KERALA

Muthoot College of Allied Health Sciences and Management Studies was set up in 2004 to introduce aspiring paramedical candidates in Kerala to multiple courses in allied health sciences. Now aspiring candidates across Kerala can develop their skills through the futuristic training offered here. After the successful completion of the courses, aspiring candidates can opt for placements in India and abroad.
