ORIENTATION PROGRAM: NURTURING THE SPARK WITHIN

"The best gift we can give a child is not a destination, but a journey of self-discovery"

On 14th March 2026, our school opened its doors to welcome new parents—not just as visitors, but as partners in one of life's most important adventures. Over the course of the event, we shared what truly matters to us: a belief that every child deserves more than just good grades. They deserve to discover who they are, what they love, and what they're capable of becoming.

Our classrooms are built on the idea that learning happens everywhere—in textbooks and in dance studios, in math lessons and on the stage. We watched in awe as our primary students took centre stage, dancing with joy and performing Shakespeare's Merchant of Venice with confidence and depth that would make any parent proud. These weren't just performances; they were windows into how we work unlocking creativity, building confidence, and teaching children that they are capable of remarkable things. What excites us most is the journey ahead—one where our child will grow academically, creatively, emotionally, and as a conscious global citizen. Together, we're not just building better students; we're building better human beings. This is just the beginning of something truly special.

Welcome Day – A Warm Welcome to Our Little Explorers

The pre-primary students had a joyful start to their school journey with a heartwarming Welcome Day. They were warmly greeted by their teachers, creating a cheerful and comforting environment. The day included fun games, engaging activities, and creative craft sessions. These experiences helped the children feel relaxed, build connections, and express themselves freely. Their smiles and laughter reflected their excitement and happiness.

It was a wonderful beginning to the academic year. We thank our teachers and parents for their support in making the day special.

A Memorable Encounter with Ellie the Elephant

Our pre-primary students enjoyed an exciting interactive session with Ellie, the life-size animatronic elephant, organized by Paul George Global School in collaboration with Go Sharpener. Through this unforgettable experience, children learned the importance of kindness, empathy, and respect for animals, discovering that every living being deserves love and care. A joyful day filled with wonder, learning, and lasting memories!

Puppet Show – Exploring Emotions with Fun

The little champs of our school enjoyed a lively and engaging puppet show that beautifully showcased different emotions like happiness, sadness, anger, fear, and surprise. The colourful puppets captured the children's attention and made learning about feelings both fun and meaningful. The session also included joyful laughter and dance time, where students expressed each emotion through songs and movements along with the puppets. This interactive experience helped them understand and express their feelings better. It was a fun-filled learning experience that left the children smiling and enriched with valuable life lessons.

Baisakhi Celebration – Colours of Harvest and Happiness

The pre-primary students celebrated Baisakhi with great joy and enthusiasm. The children were introduced to the significance of this vibrant harvest festival and learned why it is celebrated with happiness and gratitude. To make the celebration more engaging, the young learners participated in a fun group craft activity where they creatively decorated dhols with bright colours and designs. This hands-on experience added excitement to their learning and helped them understand the festive spirit of Baisakhi. The celebration was a beautiful blend of culture, creativity, and joyful learning for our little ones.

Splash Pool Activity – Beating the Heat with Fun

★ Cool Water ★ Bright Smiles ★ Beautiful Memories

The little ones students are having a **refreshing** and **exciting** time during the Splash Pool Activity, which is being conducted regularly throughout the summer season. Each session is filled with **laughter** as children enjoy splashing around with their friends, beating the heat in the most **fun** way. Engaging in water play helps them relax, bond with their peers, and build confidence over time. Their cheerful smiles and joyful energy continue to make every session truly special. It is a delightful ongoing experience full of **fun**, **friendship**, and **happy summer memory**.

Self-Discovery Day – Celebrating Me!

The young explorers at Paul George Global School celebrated Self Discovery Day with joy and excitement, exploring the **uniqueness** within themselves. The children were engaged in a **mirror activity**, observing their reflections and learning about their own features in a fun and meaningful way. This was followed by a creative worksheet activity that highlighted the message **"Self-Discovery – Self Love,"** where students expressed themselves by drawing their own portraits. Through this experience, they showcased their imagination and gained a deeper sense of self-awareness. The day was filled with **creativity**, **confidence**, and **happiness**, helping our young learners appreciate themselves just the way they are.

The judges appreciated the efforts of all the participants and encouraged them to continue nurturing their musical talents. The event concluded on a positive note with **words of encouragement and appreciation** for the enthusiastic participation shown by all the houses.

Overall, the competition was a **grand success** and served as a wonderful platform to promote **cultural values, spirituality, and musical excellence** among students.

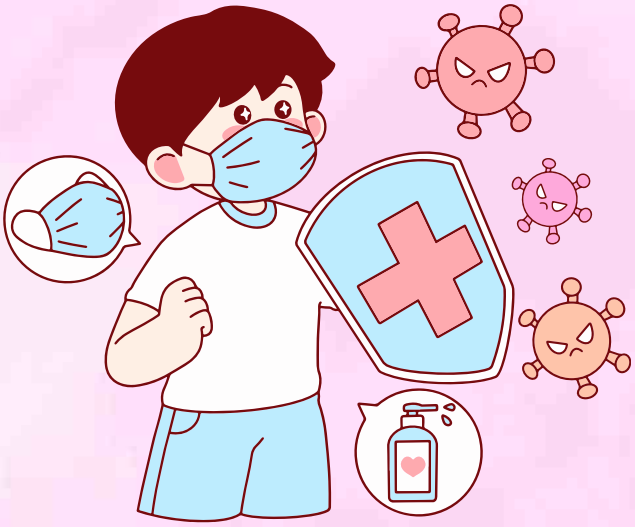

BIG EMOTIONS FOR LITTLE HEARTS
SDG 3: Good Health & Well-Being

Paul George Global School conducted an interactive workshop **"Big Emotions for Little Hearts"** on **16 April** in the school auditorium, facilitated by school counsellor **Sonika Sidharth** . The workshop introduced **Grades I–III** students to **emotional literacy** through the story of Riley, who experiences **five core emotions (joy, sadness, anger, fear, disgust)** in one morning. Using storytelling, visual aids, and guided discussions, students learned to recognize **physical sensations** associated with each emotion and identified **real-life scenarios** that trigger them. The workshop incorporated **individual reflection activities and group shares** where students named their own feelings and developed **empathy** for peers' experiences.

The session concluded with an **SDG 3 Wellness Pledge** , where all participants committed to **five promises** : noticing their feelings, naming emotions aloud, showing kindness to struggling peers, breathing before reacting, and asking for help when needed. This workshop directly contributes to **SDG 3 (Good Health and Well-being)** by building **emotional awareness** , **self-regulation skills** , and **normalizing help-seeking behaviours** in young learners.

Making Waves With Excellence

The swimming pool was buzzing with enthusiasm as the participants participated in different events with zeal. This competition not only demonstrated their skills in swimming but also conveyed their discipline, perseverance, and teamwork.
The support and cheer from teachers and fellow students made the competition more thrilling and memorable.

CAREER COUNSELLING SESSION

CAREER

COUNCELLING

The Career Guidance Session conducted for the students of Grades VIII to XII at our school was an insightful and motivating experience. The distinguished speakers from the GoSharpener Team shared valuable guidance on entrepreneurship, finance, leadership, public speaking, and career opportunities, inspiring students to explore their interests with confidence and determination. The interactive session encouraged students to think beyond conventional career paths and focus on skill development and innovation.

PROJECT MATE:

Transforming Student Well-being Through Counselling

Ms. Sonia, School Counselor at Paul George Global School, successfully participated in the **CBSE–AIIMS Project MATE (Mind Activation Through Education)** Counselors' Conclave and Capacity Building Program, held from 9–15 May 2026 at **India Habitat Centre and AIIMS,** New Delhi.

The intensive 5-day, 40-hour training equipped counsellors with evidence-based strategies to promote adolescent mental health, emotional well-being, and healthy lifestyles. Sessions by AIIMS experts covered emotional wellness, relationships, digital well-being, parent engagement, and early identification of mental health concerns through interactive workshops and practical activities.

.

This achievement enables our school to implement the Project MATE initiative in the 2026–27 academic session, benefiting students of Grades VI–VIII through structured workshops and extending awareness to parents.
